Dear Dr. Vardy:

On behalf of the students, teachers and administrative staff here at Beth Jacob-Beth Miriam, I wish to express my sincere gratitude and appreciation to you for visiting our school. The children definitely learned the importance of good dental hygiene practices, and how to acquire them. You had a special knack to keep the children interested by using them as model teeth.

The program was a wonderful success. I am looking forward to seeing you again.

Renewed thanks for coming to us with your great presentation.

Gratefully,

Phyllis Goldstein
 Principal, General Studies
