Dear Dr. Vardi-Strauss:

We are delighted to receive this gift of \$335.00 on behalf of the Department of Education. We especially appreciate your offer to donate your consulting fees and expenses following the very special program, "Evi-dents" for the children's workshops. These funds will be allocated to helping children take part in future workshop programs through scholarships offered by the American Museum of Natural History.

Thank you for considering these programs. They are some of the best in the nation and we appreciate your generous consideration.

Sincerely,

Myles Gordon
Director of Education
