Dear Iris,

thanks for sending me the nice card for Christmas!!! Happy new year!!!! I know I am late.....

You can't imagine how many times I said "tomorrow I'll call Iris..." and....I have never called!!!

I want you to know that I didn't forget you and specially what you have done for me.

Really, Iris, almost every day in my office I say to myself that if I am able to work I have to thank you!!! You taught me everything I am doing, and I'll never forget this.....

You have been the best teacher I have ever had, and I told you this when I was in N.Y.

We had so much fun in your office, and we (me and Cathy) learned so much.....

Sometimes I think " I would like to be so good as Iris....." and I hope I'll make it!!!

We'll see.....

Here in Bari everything is fine; I am working andso far so good!!! I have almost 150 patients and I am trying to do my best.

I am planning to go to Toronto and of course I'll stop few days in New York. I'll let you know everything in advance. Are you going there?! Or I'll see you in N.Y.?

I didn't ask you how are you..... I am terrible.... How are you doing?! And the office?

Cathy is keep saying that your office is alwaysnumber one!!! And I trust her!!!

How about your free time?

Iris, I hope to see you soon and I apologize if I didn't call you so far.....

Ciao.....

How are -- all "my" patients ?!

Ciao, Alberto
