March 27, 1991

Ms. Iris Vardy
Class of 1991
New York University College of Dentistry
Schwartz Hall, Clinic 3D
David B. Kriser Dental Center

Dear Iris:

I wish to express my heartiest congratulations to you on receiving the 1991 Chancellor's Service Award for Volunteerism and Community Service. This is a singular honor of which you can be justifiably proud. I take pride in the fact that your accomplishments enhance the reputation of the College of Dentistry.

It is students of your caliber who make my affiliation with the College so deeply rewarding and who I am sure will continue to serve the community and the dental profession with distinction in the years ahead.

Congratulations again on this splendid achievement and best wishes for your future success and contentment.

Sincerely,

Edward G. Kaufman, D.D.S.
Dean

VOLUNTEERISM AND COMMUNITY SERVICE

The Chancellor's Service Awards for Volunteerism and Community Service are presented to student organizations and individuals for their extraordinary efforts to sponsor activities and projects in support of humanitarian causes at the university and in the greater community.

Iris Vardy (DENT)

For co-ordinating Kriser Dental School's student/faculty "Ghana Program" which brings dental care to under-served populations in Ghana and other developing countries.
