

Dear Dr. Vardy,

Thank you soooooooooo
much for all your hard
work. My teeth really look
amazing and I have gotten
many complements on them.
people have even asked
who my orthodontist
was! Your talent, kindness
and hard work I am
so grateful for and made
the some times painful
experience of braces more
enjoyable. Your hard work
was greatly appreciated.

Thank you so much
for all the wonderful
things you have done (not
just to my teeth)

Love,

Samantha Stein

P.S. Thank you so much for the
Flosser!
