The **Neighborhood Gazette** is proud to announce that Dr. Iris Vardy an Orthodontist will be joining us as a columnist starting in August. Dr. Vardy has a practice on Central Park West.

Pictured above is Dr. Vardy on a recent trip to Israel where she volunteered in a Dental Clinic for underprivileged children. Dr. Vardy said, "Considering the recent political changes in their hopes for peace with the Palestinians and the surrounding Arab Countries I was happy to know that we were treating both Jewish and non-Jewish children at the clinic."
